LIVESTOCK QUESTIONNAIRE

Date_____

Where livestock (cattle, sheep, etc.) are involved in an export credit sale, the Export-Import Bank of the United States (Ex-Im Bank) requires full information concerning both the livestock and the transaction involved before reaching a decision. As a part of an application involving livestock, answers to the following questions are required:

1. Buyer (Name and Address):
2. Were the livestock born and raised in the U.S.? ☐ Yes ☐ No
3. From what source is the exporter buying the livestock in the U.S.? How is the export value determined?
4. Are the livestock commercial ☐ or registered stock ☐? If registered, submit copies of registration certificates and classifications.
5. Indicate the number, type (breeding stock, dairy, etc.), age, and sex of the livestock. Also indicate whether livestock are bred ☐ or open ☐
6. Are the livestock to be used by the buyer ☐ or resold ☐? If resold, to whom?
7. What is the purpose for which the livestock are being obtained by the ultimate buyer?
8. What warranties will be given by the seller?
9. Is there insurance against transit hazards? ☐ Yes ☐ No
If yes, please describe.
10. Supply information concerning the transporting and feeding of the livestock to the point of embarkation from the U.S. and to the point of destination abroad.
11. Furnish names and addresses of national or regional livestock associations to which the exporter belongs, or the individual suppliers if different from the exporter. If none, supply the name and address of a commercial bank which is familiar with the operations of the exporter and/or actual suppliers.
